# Problem Statement

Using data and background research, **recommend a financial services sponsor for the NHL Los Angeles Kings**. The recommendation should take into account factors such as business objectives, competition, brand impact, demographics, and other appropriate factors from the sponsor.

# The Data

- The data consists of response data from a YouGov Profile survey related to the demographics and financial services brands across the Los Angeles DMA (Designated Market Area) and Los Angeles Kings Fanbase.

- Demographics
  - Age
  - Gender
  - Household Economics (monthly disposable income)
  - Race/Ethnicity
  - Work/Education
  - Consumer
    - Current bank account features
    - Financial service consideration in the next year (checking, savings, 529, HSA, etc.)
- 29 Banks
  - Current Customer (of the given bank)
  - Ad Awareness - Have you seen an ad for this brand in the past 2 weeks?
  - Purchase Intent - Are you likely to purchase [a service from the bank]?
  - Consideration - When you are next in the market, will you consider bank X?

YouGov®

# Methods

## 1. Background Research

- a. Comprehensive research on the LA Kings and LA DMA (values, mission statement, community outreach, fanbase)

## 2. Analysis of Demographics

- a. Sorted through YouGov data, comparing demographics/responses across NATREP, LAK, and DMA
- b. Focused on understanding if demographic points were above, below, or similar to the national average (with a focus on consistent differences across both LAK and LA DMA)
  - i. Used a significance threshold of 95% confidence ( $\pm 1.96$  Z-score)

## 3. Analysis of Bank Survey Responses

- a. Analyzed responses to the 4 specific survey questions (current customer, ad awareness, purchase intent, and consideration)
- b. Focused on consistent increases over NATREP representation across both LAK and LA DMA
- c. Narrowed down candidates from 29 to 6 banks (Chase Bank, Wells Fargo, US Bank, Bank of America, Citibank, Capital One)

## 4. Research on Final Candidates

- a. Performed extensive research on the final 6 banks
- b. Emphasis on characteristics that line up with the LAK mission statement and initiatives (diversity, sustainability, dependability, community involvement, charity)

- Significant + compared to the National Representative Average (NATREP) in both LAK and LA DMA for all four categories
  - Strong customer base (retention and upselling new products)
  - Strong brand familiarity
  - Double the purchase intent
  - About double the brand consideration

# What would the partnership look like?

- Chase Bank will become a sponsoring partner of the LA Kings and would have their name and image attached to:
  - Promotional content such as gameday and lineup graphics
  - In-game fan zones for Chase card holders
  - An area on the boards dedicated to advertisement
  - The Zamboni
- Chase Bank will collaborate with the LA Kings on various community initiatives:
  - Goals for Growth Campaign - for every goal that the LA Kings score at home next season, Chase will make a \$100 donation to local youth centers in the LA area.
- Chase Bank will become the official jersey sponsor of the LA Kings and will have their name and logo on the players' jerseys and helmets.

# In-game activations

- Exclusive areas for Chase card holders
- Chase sponsored intermission activations such as on-ice fan competitions
- Chase “section of the game” - everyone in the chosen section will receive a gift card

# Competition

- Largest competitors are with other NHL teams for wins as well as fans
- Other LA sports teams can be viewed as competitors as well, since the King's compete with them for the attention and viewership of the LA fans
- **Competing Sponsors:**
  - Clippers x US Bank
  - Rams x Bank of America
  - Flyers x Wells Fargo Center

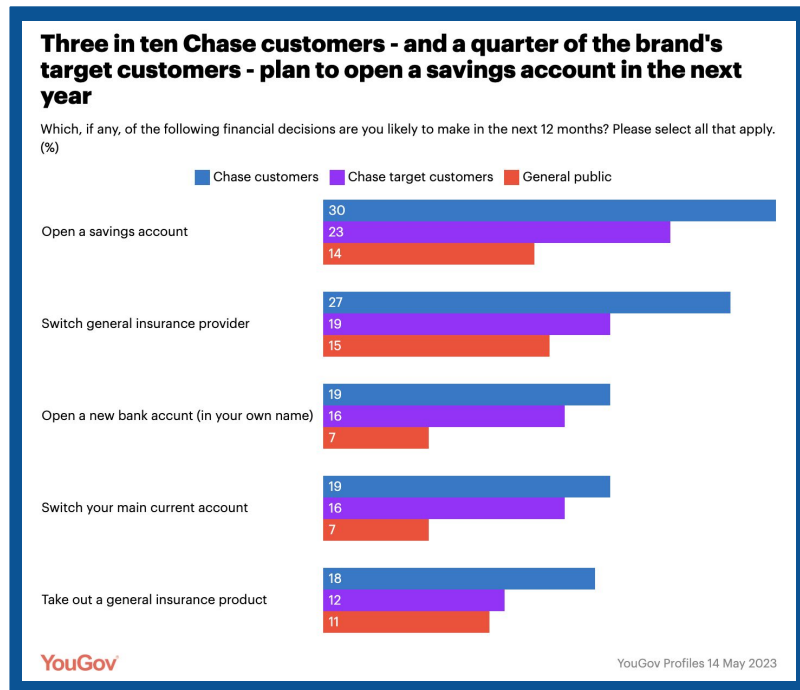

# How Chase Supports the King's Mission

- **Mutual emphasis on diversity, sustainability, and delivering a valuable experience**
  - Kings: "Hockey is for Everyone"
  - Chase: Offices of Diversity Affairs
- **Chase's Community Involvement**
  - Support for California Wildfires
  - Construction of affordable housing
- **Kings Care Foundation**

# Reasons for Ultimately Choosing Chase

- **YouGov Profile Survey Data**
  - Support and Familiarity
- **Demographics**
  - What we wanted to target
    - Male, 18-44
  - Chase customer demographics
    - 57% men, 77% 18-54
- **Compatible Missions**
  - Equal emphasis on inclusion
  - Potential for collaboration
- **Long lasting impact**
